## Press Release

Rockford Engineering Works Ltd. has acquired the Fairfield Machine Company located in Columbiana, Ohio.

The Fairfield Machine Company has a rich 65 year history in the design, supply and rebuild of competitively priced leading edge pipe, bar, and billet processing and handling equipment.

# FAIRFIELD

## MACHINE COMPANY

The management at Rockford has teamed up with Dave MacNeill, President of Fairfield, who will ensure the company's vision and direction continues along with developing synergies between Fairfield & Rockford.

Rockford's experience and strong engineering background in the Tube & Pipe industry, coupled with Dave's sales and heavy equipment rebuild knowledge, will carry Fairfield's legacy of being a leader in the design and supply of Tube & Pipe Equipment well into the future.
